

THE CLIMB MAY
BE CHALLENGING,
BUT THE VIEW WILL
BE SENSATIONAL.

A career in law can be demanding, so choose a firm that makes it all worthwhile.

Do you want to tackle the most interesting legal work around? Would you like to help big businesses achieve their goals by coming up with advice that makes solid commercial sense? Do you enjoy being challenged? Do you want to develop your skills alongside the best legal minds?

In short, do you want to become a top business lawyer?

At Freshfields Bruckhaus Deringer, a leading international law firm with global reach, we offer a wide range of career and training opportunities.

We support clients wherever in the world they do business and as we advise some of the world's largest companies on how to grow, strengthen and defend their operations, we can offer you some of the best and most challenging work there is.

If you're interested in joining a firm where your curiosity, ideas and hard work will be rewarded, then visit freshfields.com to learn more about us.

To apply, please go to the Brussels office career page on the Freshfields website, freshfields.com, and fill in an application for the position you are interested in. If you have any questions, please contact Samantha David, HR Manager, at +32 2 504 7000.
